From the Desk of Principal Lex Matthews

Principal Lex Matthews

Dear Class of 2019,

Hello! It's been great getting to know you. What an inspiring, impressive group you are. When things were hard, you did not give up. You pushed ahead, persisted, challenged yourselves,and now you're making your families proud by graduating and moving on. Your class will always be very special to me because you're my first class i've had as principal here.

I want you all to take a moment and recognize a few key things so that you don't forget. Your families, friends, co-workers and community members who have been there for you- take the time to thank them for their role in where you are now. And how about your friends from here at Chelsea High? They have been there for you in big and small ways throughout your time at CHS. Give them a thank you. Your teachers have also been there for you- inspiring you, leading you and helping you become educated and savvy. Say thanks!

As the month and years after our graduation day pass by, please, please, please don't ever think that you that you can not attain the goals you set for yourself. Keep pushing. There will be hard times, but remember that there is something amazing about each of you (I'm not just saying that- it's true). Keep that spirit that makes you unique. Be proud of who you are. And whatever you do, don't forget Chelsea High. Keep up in your mind as you go forth into the world. Good luck!

Principal Lex Matthews

The Red Devils Football Team showed their true colors during their arduous fall season in 2018. The team consisted of members from all classes from freshman to seniors. The captains stood out the most helping each other in every way they could and pushing everyone to do their best. Although no games were at home, they represented the Chelsea name at away games empowering Red Chelsea Pride. During their games, they demonstrated focus, devotion, dedication, but most importantly they revealed what teamwork is all about! A hurray to Chelsea Red Devils!

It is important to note that football is not a simple sport: it requires valor, strength and strategy. The members of the football know their worth in every field they stepped on.

Santiago Quintero

Work hard, dream big, and stay humble, that is the key to success."

Anthony Del Rosa-

"Football is football and talent id talent. But the mindset of your teams makes all the difference."

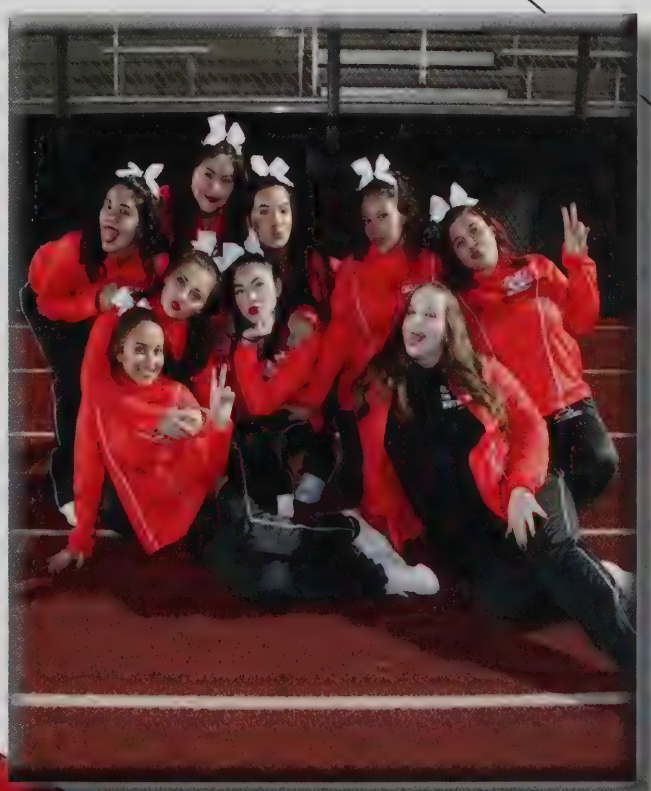
The Cheerleading Team truly had a lot in their hands, going from football games in the fall to basketball games in winter, They certainly became a motivation for players to give it their all when they shouted Chelsea's name.

Alicia Smith: "I hope the bonds I built here last forever!!!"

Delmira Diaz: "The only reason my grades were not F's was because I would have gotten kicked out of Cheerleading"



Diana Hercules: "Once a devil, always a devil"

The Varsity Volleyball Team showed a strong and formidable power when facing other teams during their season. The team was composed of people who loved volleyball. Their intense and admirable plays grabbed the attention of just about everyone. Games in which facing difficult situations, the leaders always managed to keep the team together and fought on!

Boy's Soccer

Chelsea High School soccer team has brought pride and recognition to CHS. Our players are somme of the most passionate players to walk on a field, and wear their CHS jersey with pride and and confident that they willl beat their opponent. This year they have won 13 games and Lost 1 game. CHS is proud of them for giving everything they got on the field. Throught the season the team did and incredible job. The players gave everything they got on the field throught sweat and tears they fought on the field to get the Victory. lthough they had some challenges they still manage to finish the season strong.

Chelsea High school soccer spirit was on this season, from players to fans, to the whole Chelseas community that gathered around to support their local soccer teams. The team was not just playing to win the game (yes for that too) but most importantly to show off their skills.

The skills they have been practicing throughout the season. The team was well reliable to work as a team to achieve their GOAL, Literally a Goal that will help them move on in the season. Chelsea Soccer team is build up with an outstanding team worker.

GIRLS Soccer

It's been another amazing season for the girls soccer team. All of the girls came together and worked as a team. Although there were many games lost within this season, they still worked as a team and made it through to the next game together. This year the girls faced schools such as East Boston, Shawsheen, Lynn Tech, our biggest rival NorthEast, along with other neighboring schools. All of the girls continued to keep each other motivated throughout the entire season and made sure they kept their heads up high even when they lost that game. They used that to better their plays for the following game and put their all into every single game.

Captains

"Dedicated 4 years to this team, they became my family."

"I dropped at least 1 girl every game."
-Nubia Alvarez

"4 years of Varsity soccer and it just hit me that I will no longer be playing. Its bittersweet, but I loved every moment of practing, playing games and being a captain! Can't wait to see the progress our Chelsea girls soccer team will have!"
-Gitu Degefa

"Didn't expect to be captain this year and I'm glad I got the opportunity to be a captain to the best soccer team, that I'm glad to call my family"
- Sulmy Urrutia

The Chelsea High School Cross Country team as always had an outstanding team in which they came together and supported each other during practice and meets. During their meets they would race each other to see who got a better time but it would be out of love. Every step they took it was a step closer to the finish line, every thought had to be a positive one because, a running sport is also a mental sport. The cross country team was determinate to race to the finish line no matter what the outcome was they will be there for each other as a team.

"I've seen the team with their heads down but at the end of the day we pick eachothers heads up whenever they're down"
- Fabian Garza-Aldana

The Chelsea High school basketball team struggled throughout the season, however they got an overall of 11 wins, 9 loses and 0 ties. They didn't give up no matter what, they always kept their heads, spirit and pride up. The team was always hopeful and consistent even after the buzzer went off. The joy of the supportive crowd screaming "Chelsea" when the team looked hopeless, or when they scream "defence" when the team was up and they had to sustain the score up to win, and or when everyone screamed "Lets go!!" After a crazy 3 point or when the players stole the ball and finish it off. This is some of the many things that kept the Basketball teams spirit and hope up throughout every game.

Alicia Smith, Captain

Cheerleading is a sport that takes its fair share of energy to master, which was clearly revealed in every game Red Devil Girls cheered on! Seeing them do acrobatics as well as choreographed movements for the duration of the games.

They cheered for us before, now it's our turn! GIVE IT UP FOR THE RED CHEERLEADERS!

GIRLS BASKETBALL

Veterans day Concert

On Veterans day the sensational Concert band, Cantare , and Choir went to play at soldiers home for the Veterans who bravely served their lives in significant moments in America. This wonderful and emotional event included special guests as ww11 veterans , Charlie Baker and Chelsea high principle Mr. Matthews. The beauty of this event was seeing the veterans and everyone in the chapel stand up and sing along to the songs preformed: American Heroes, falling in love with you, and Decleration and dance.

- Jesse Owens

Captains: Justin Turner and Julio Valladares

The boy's Track and Field team are one of the greatest examples of how Chelsea High sports should be. It is easy to see the team is unified and extremely supportive towards eachother on top of the success they have. They boys are devoted in improving during the season, and come with their best during each meet!

GSA is a club where everyone has a place to feel like themselves and enjoy each others company. The group has created a comfortable zone where everyone is able to dance, sing, and just sit around if they want to. Along with the rest of us, they are patiently waiting for the day of silence during the spring season. This event is in support of the oppression LGBTQ community members face .

GAY STRAIGHT ALLIANCE

Presidents:
Nate Gonzalez and
Vanessa Platero

Students who participate in the club frequently volunteer at community service events in and out of the city. Their motto is Service Before Self, which is self explanatory. They put giving back to the community before themselves. Some of the events that they have previously participated in were the Halloween Dance, Breakfast with Santa, Rosie's Place, and Earth Day.

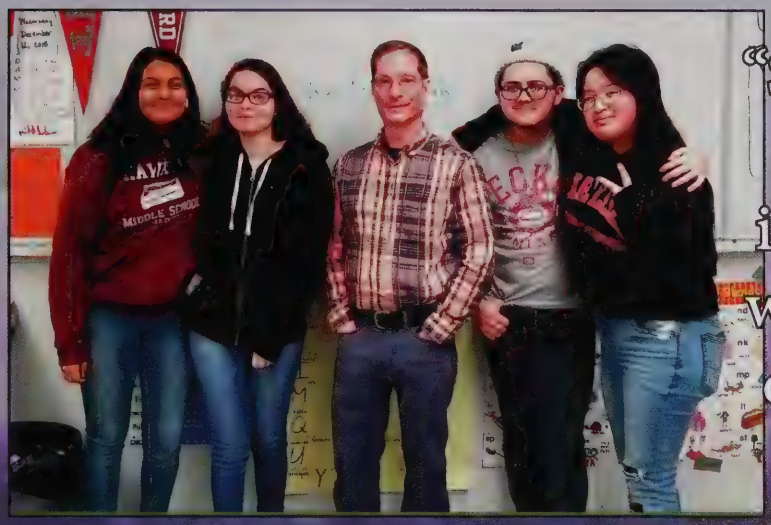
Interact Club

Skepticism Club

Are we a simulation?

Are our beliefs nothing but fables?

Is there really a spiritual world?



"Somewhere, something incredible is waiting to be discovered"

Culinary Club

The Culinary Club of 2019 was unquestionably one of the most talented ones in the history of CHS. They were in charge of making food for the very first Parent Teacher conference by making dishes such as Lasagna and Stuffed Shells.
